

Okay guys...

It's official: the 48th Hunger Games is on its way.

This year, it's going to be way better, way bigger, and way more involved, detailed, and fun. Check my account (will be note right after this) for the sign-up. Sign ups are due APRIL 10TH, 2024. There will be NO late sign ups, as this complicates things. If a small number of people are involved, the deadline may be pushed out but I think there will be at least 10 people :).

So here's a basic timeline (I will update it later):

Sign-Up Posted: 3/19

Sign-Ups Due: 4/10

Reaping Announcements: 4/20

Interview Releases: 4/20

Interview Deadline: 4/30

Looking forward, tributes!
