

The p.AI.ter
wip is going
well :)
(i'm adding too
much blood &
fear)

Some p.AI.ter hc:

- his face looks "messy" cause of his damaged personality chip
- He has one-sided beef w/ NAVI, he tries to talk w/ her via coms, she just ignores him lol
- he idolizes Sebby, bro will do anything & p.AI.ter will go crazy
