It works as a mini boss, you enter a maze and you have to run through it as gel follows you, it is very slow but takes up the whole room so you have to go as quick as possible without many mess ups or it will swallow you and kill you.

### Grip

It is kind of like seek, where you have to be fast, but you are provided with a car and are road bumps you go slow after for a little bit.

Oh, it is those green vines, they are possessing a car.
