

Guys

My school blocked Notability social media

I had no idea they were gonna do it

I can't see you guy's posts or my profile.

You guys were my first online friends, and you were really funny and cool.

Thank you

And finally a shoutout to

@marigoldsorsall (sorry if I misspelled your username), thank you for being a fellow Hamilnerd. Raise a glass to freedom.

I'll miss you all

Goodbye

@halfblood
