

Are y'all besties? Bingo

you're
always
talking vring
school

you ~~try to~~ help
when they are
in need

you
constantly
insult
each other

you
invite
them to do
stuff
all the
time

they know
all your
secrets

you get back at
everyone who's
mean to them
but you're
also mean to them

everyone
thinks y'all
are in love

you're
not

you help
them with
homework

you're constantly
competing against
each other

you
share
a braincell

you
share
food

kinda

you've known
each other
for 5+ years

your teachers
always seat y'all on
opposite ends of the
room

you
call
all the
time

you put up
with whatever
weird phase
they are going
through

some
classes

eh
