

All my friends are heathens, take it slow
Wait for them to ask you who you know
Please don't make any sudden moves
You don't know the half of the abuse
All my friends are heathens, take it slow
Wait for them to ask you who you know
Please don't make any sudden moves
You don't know the half of the abuse

Welcome to the room of people

Who have rooms of people that they loved
one day

Docked away

Just because we check the guns at the door
Doesn't mean our brains will change from
hand grenades

You'll never know the psychopath sitting next
to you

You'll never know the murderer sitting next
to you

You'll think, "How'd I get here, sitting next to
you?"

But after all I've said, please don't forget

All my friends are heathens, take it slow
Wait for them to ask you who you know
Please don't make any sudden moves
You don't know the half of the abuse

We don't deal with outsiders very well

They say newcomers have a certain smell

You have trust issues, not to mention

They say they can smell your intentions
You'll never know the freak show sitting next
to you

You'll have some weird people sitting next to
you

You'll think "How did I get here, sitting next
to you?"

But after all I've said, please don't forget

All my friends are heathens, take it slow

Wait for them to ask you who you know

Please don't make any sudden moves

You don't know the half of the abuse

All my friends are heathens, take it slow

(watch it)

Wait for them to ask you who you know

(watch it)

Please all my friends are heathens, take it

slow (watch it)

Wait for them to ask you who you know

Why'd you come? You knew you should have

stayed

I tried to warn you just to stay away

And now they're outside ready to bust

It looks like you might be one of us
