Earlier today, I saw this. So, I am making a 'help note' about how to post! See next page.

So, to post, you have to first make a note in the Notes section of Notability.

Then press the three dots in the top right corner of your note.

When you see the menu, press ' Publish to Gallery'.

Quick share ᠿ PDF, All Pages Share options £. (Publish to Gallery Ð Create link Ī Template settings View settings > Cancel Publish to Gallery Hiustrations, templates, st this note will be uploader unpublish the note at any Help note! 词
