

How I draw  
these guys

(tutorial req. by @cinnamxnn)

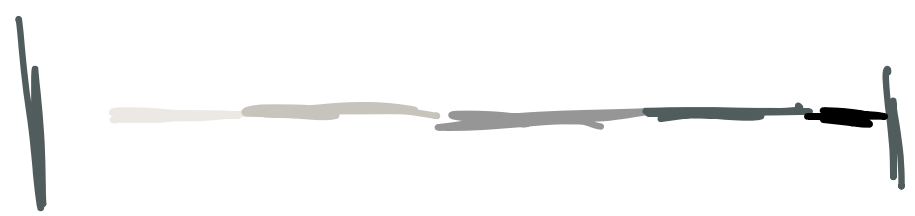

I use the pen for the outline: (size 5 1/3)

and these highlighter shades!

all I do is copy a reference  
and do a value study.

+ Value + : defining something by a  
# greyscale.

(no ref, just an example)

Start with a light base,

and build up shadows.

Use dark  
shadows  
if you can!
