

The story of how my oc's, Peach Tea and Luna feel in love:

They met at the bus stop.

It turns out that they were going to the same coffee shop! Peach Tea stood in line in front of Luna, and Luna was complaining about the line being too long. Peach Tea says, "Wait, I know you from somewhere ...Oh, that's it! You go to the same school as me!" They started talking, and the line got shorter in no time. Peach Tea pays for Luna's coffee for her, and Luna, surprised asks, "Why did you do that for me?" Peach replies with, "That's what friends do!" Luna thanks her, "Nobody has really noticed me before.", she adds, and the two head out.

They started hanging out together, and always went to that coffee shop after school. Slowly, they began to fall in love. One day, Luna planned to tell her that she likes her, but just as she opened her mouth, Peach Tea confessed her love for her!

They blush.

They talk.

They laugh.

They leave.

They walked out into the streetlights, and the world around them was covered in snow. Everything seemed to happen in slow motion, each moment had a dreamlike quality. Luna offered Peach Tea a ride home in her new car (she got it for her birthday), and as she drives, Peach Tea falls asleep, collapsing onto Luna's shoulder. Luna smiles, knowing she's not lonely anymore.
