

Hey! You might be wondering why I'm quitting. Well, it's because of stress from school, and all this drama. People are leaving, getting reported, tracing, and stealing. And this is just annoying. Just so you know, I AM NOT QUITTING BECAUSE OF HATE. (Also my classmates found my acc, and I don't like being judged)

I MIGHT come back, but there aren't any promises. I will not post on my second acc either. I am not going to make any other accounts to post on. This is it. I'm leaving.

ALSO! THANK YOU FOR ALL THE SUPPORT!! ITS MEANS A LOT TO ME! 💖💖
