

My friends ruin my Valentine's Day.... 😭

Bro we had a field-trip and he didn't ask me directly

So the kids in my class like to ship him with one of my besties, and they both say they don't like each other (I know her crush) and they(the animals in my grade) keep doing it.

I did it too to tease him like ik that he likes me and I think he knows I like him but we're not official yet...

So nobody else knows

He knows I'm teasing him btw lol

He was staring at me during the field trip and I stared at him to and we were both smiling 😊 that was cute

And then I said "why are your staring at me" and he said ik know why 😏

UM, I WOULD GET IT IF HE WAS SHY BUT HE LITERALLY SO OBVIOUS ON PURPOSE THESE ANIMALS JUST RUINED IT AND START TO SHIP ME WITH SOMEONE ELSE

THE THING IS THAT ITS MY BESTIE THEIR SHIPPING MY CRUSH WITH....

ANYWAYS....

This Hispanic girl in my class keeps saying she's black and she's like dead serious...

All the stars by Kendrick and SZA is so goood its stuck in my head

Anyways have a happy Valentine's Day pookies and shout out to @hunter_16 or @Luna_sam_tgt for praying for mee
