

well well, it seems that someone is on their banning spree again 😞 so here's a list of my friends since I couldn't put them up on my profile :

- @we_love_pigeons69
- @positive_arts
- @shrimpykaka
- @nishikach2
- @eyera_the_arts
- @ace_w0lf/@ace_w01f
- @mwong1 (atleast I consider them a friend :D)
