

Alright, I'd like to see who's more hateful than the 2012 Shredder, if you haven't seen the show let me give you some examples of this "man's" hatred for Master Splinter: k*lling his wife, kidnapping his daughter, making said daughter believe Splinter k*lled her mom, and the worst thing he did was when the turtles and the rest of the main characters teamed up against those triceratops aliens who were trying to destroy the planet with a device that can create BLACKHOLES, splinter and Shredder notices that the device was about to go off so they ran towards it to stop it.. and you know what Shredder did? He K*ILLED Splinter, therefore letting the device go off. He HATED splinter SO MUCH he'd let the whole planet be destroyed just so he could k*ll splinter
