Guys I have something to confess
I like k pop i been since two years ago but I was scared if people would like send hate comments or stop following me but I don't want to hind it anymore
And if anyone is curious who I like. I like stray kids , txt, bts, twice, Lisa, nct 127 and etc but those are basically the main ones
Bye love y'all
And if y'all want to know my bias go to comments and ask me
