

Don't wanna live as an untold story
Rather go out in a blaze of glory
I can't hear you, I don't fear you
I'll live now 'cause the bad die last
Dodging bullets with your broken past
I can't hear you, I don't fear you now
Wrapped in your regret
What a waste of blood and sweat
Oh-oh-oh

I wanna taste love and pain
Wanna feel pride and shame
I don't wanna take my time
Don't wanna waste one line
I wanna live better days
Never look back and say
Could have been me
It could have been me

Yeah

Don't wanna live as an unsung melody
I'd rather listen to the silence telling me
I can't hear you, I won't fear you
Don't wanna wake up on a Monday morning
The thought of work is getting my skin crawling
I can't hear you, I don't hear you now
Wrapped in your regret
What a waste of blood and sweat
Oh-oh-oh

I wanna taste love and pain
Wanna feel pride and shame
I don't wanna take my time
Don't wanna waste one line
I wanna live better days
Never look back and say
Could have been me
It could have been me

Yeah

Hey

I wanna taste love and pain
Wanna feel pride and shame
Don't wanna take my time (no)
Don't wanna waste one line (hey, hey)
Wanna live better days (just better)
Never look back and say
Could have been me
It could have been me
It could have been me
It could have been me
I wanna taste love and pain
Wanna feel pride and shame

I don't wanna take my time
Don't wanna waste one line
I wanna live better days (just better)
Never look back and say
Could have been me
It could have been me
It could have been me
It could have been me
Yeah

If I told you this was only gonna hurt
If I warned you that the fire's gonna burn
Would you walk in?
Would you let me do it first?
Do it all in the name of love

Would you let me lead you even when you're blind?
In the darkness, in the middle of the middle of the night
In the silence, when there's no one by your side
Would you call in the name of love?

In the name of love, name of love
In the name of love, name of love
In the name of
(In the name, name)

If I told you we could bathe in all the lights
Would you rise up, come and meet me in the sky?
Would you trust me when you're jumping from the heights?
Would you fall in the name of love?

When there's madness, when there's poison in your head
When the sadness leaves you broken in your bed
I will hold you in the depths of your despair
And it's all in the name of love

In the name of love, name of love
In the name of love, name of love
In the name of
(In the name, name)

I wanna testify
Scream in the holy light
You bring me back to life
And it's all in the name of love

I wanna testify

Scream in the holy light
You bring me back to life
And it's all in the name of love

In the name of love, name of love
In the name of love, name of love
In the name of
(In the name, name)
