

Hey guyzzzz

So I have never done this before so here's a report on school.

So like I'm at play practice rn. It's Descendants, I got Cruella De Ville.

So yesterday my teacher was teaching, and my hair was naughty, and so pulled out my hair brush. And then she said to me to put my hair away 🙄🙄🙄🙄🙄

like it's called hair brush last time I check, like the audacity this lady has 🙄🙄

🙄🙄 and she calls herself a teacher. Like huuuhhhh u can't even say hair

brush! And the fine arts teacher eatzzzzzz like she is so cool and so is me

English teacher. And one of my teachers had a BABY YESTERDAY! I'm prob

gonna steal the baby. Like you have a baby and you don't expect me not to try

and steallll the baby! And I swear the teachers are like found of the street but

not some teachers bro some of the teachers r actually good. But my history

suckzz butty cheeks like he doesn't even teach us anything. And I am so tired of

the 7th graders telling me how my brother snaps them like every 5 seconds.

And the 7th graders r litterly telling me what to do. And so I am hovering over

my besties love life. And someone in my class is having a wedding next week!

I'm the grooms man with my friend. The grooms name is Peter. We were

planning the wedding in the middle of computer class, I was suppose to be the

minister with my friend but we switched. This actually felt kinda awkward 😬
