a funny story.

(Also im picking the best story :)

something in irl, something in  
class, whatever that u think will  
entertain me, also just a heads  
up i love scary & funny stories.

Ex: this happened at my old  
school

Alr so i was legit in class and yet this kid  
always tries to get the girl's attention  
(somehow like me ig) she regretted him  
but he started to scream and come at me  
saying "PLEASE I LIKE YOU PLEASE TAKE  
ME OMG OMG PLEASE x74838292992" I  
kept saying no, because, me myself is  
Aromatic which i do not feel anything  
around guys n girls. Especially since we  
got that one softie in our class.. 😊
