Lyrics

I don't feel a single thing  
Have the pills done too much  
Haven't caught up with my friends in weeks  
And now we're outta touch  
I've been driving in L.A.  
And the world it feels too big  
Like a floating ball that's bound to break  
Snap my psyche like a twig  
And I just wanna see if you feel the same as me  
Do you ever get a little bit tired of life  
Like you're not really happy but you don't wanna die  
Like you're hanging by a thread but you gotta survive  
'Cause you gotta survive  
Like your body's in the room but you're not really there  
Like you have empathy inside but you don't really care  
Like you're fresh outta love but it's been in the air  
Am I past repair  
A little bit tired of tryin' to care when I don't  
A little bit tired of quick repairs to cope  
A little bit tired of sinkin'  
There's water in my boat  
I'm barely breathin'  
Tryna stay afloat  
So I got these quick repairs to cope  
Guess I'm just broken and broke  
The prescriptions on its way  
With a name I can't pronounce
