grade i jumped off the roof thinking i could fly because i was like let's take chances

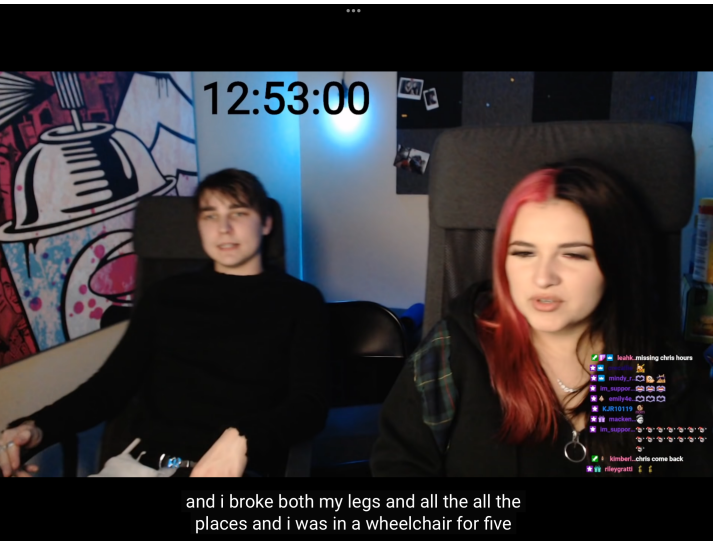

12:54:09

just always wrong you're not normal you'll never be normal

12:54:43

trip with you same with you sometimes like i'll be like hey so what are you doing next

12:53:00

and i broke both my legs and all the all the places and i was in a wheelchair for five

I swear
I'm not
