

Lol I'm seeing y'all commenting on a lot of my stuff that y'all were worried. I'm ok guys chill chill I was just upset and I wasn't thinking. I won't attempt suicidal stuff again ok? Nina Ik u may think that I'm lying but really I'm not. It hurts when I type kinda but really I tried it. Just so u know I'm at children's hospital in Philadelphia and yes my mom made me call the suicidal hotline ugh that conversation was awkward. But yes guys I'm fine I won't do it again. I didn't know so many people cared but again I was mad in that heap of the moment. I'll be fine guys!
