

No, I'm not leaving notability. I'm just not going to post anymore art, if any of you want to stay in touch with me outside of notability here is my Fortnite user name if you ever want to chat and or play with me (just let me know your username): "Mr tomato7620" ik ik, it's bad, I made it when I was younger, and if any of you wanna play cod warzone (I'm looking at you peachy) it's the same as my Fortnite account
