

The second chapter of my webcomic, Waking Up, is finished! You can read it at [monkeybearproductions.org](http://monkeybearproductions.org). Go to the playground, stories, then comics to find it. I dumped some lore in this chapter and I need your help. If you have any questions or feedback please tell me in the comments! I know it's confusing and I need help figuring out what you guys don't know. The next chapter will include Hewlett's backstory.
