Mini Story by Cinnamonroll

Chapter 1.

Macy was just a normal high school student, 4 close friends, 10 friends. Weird because she lost a “friend” but not a close one. At least. (Yet.) Nothing personal, they just didn’t talk. Macy really did think that her life was going well, until 7th period, Macy accidentally ran into the teacher, as the teacher was holding a very fragile cup, and raspberry juice. The cup broke. Ms. Howard was very very upset. She immediately told Macy to go to the office, Macy being the most difficult to handle, Macy caused a huge problem. “No.” She said. “What!” Ms Howard screamed at her. <Thoughts of Ms. H - “This child is way to difficult!”> Ms Howard looked down at her shirt seeing the mess of red, and juicy red and black juice all over Ms. Howard’s brand new shirt. “Ugh.. Macy, go before I call some parents, your holding up my class, and my time. Seth raised his hand. “Yes, Seth?” Ms Howard asked. “I saw Macy in the hallways drinking from someone else water bottle!” Seth reported. “Macy! You know that it’s a school rule to do this! Look at my shirt *AND MY SHIRT!*” Ms Howard said. Macy didn’t like how Ms Howard was screaming, she just walked home without the notice. Ms Howard changing in the bathroom, She noticed an alarm set off of the school. “*CLASS SETTLE DOWN, MACY JUST LEFT THE SCHOOL IT’S NOT THAT BAD*” Ms Howard yelled. “Not to Long..” whispered Elizabeth, Macy’s Best friend. “**Not to Long..**”
