**Extra:** (inspired by some of the voice lines)

**Conversations:** (Crystal Star Cookie=pink, Vanilla Syrup Cookie=yellow)

**Situation:** Vanilla Syrup Cookie stole star jellies from Crystal Star Cookie

"Why are my jellies missing?"

"Huh...why are you accusing me...how mean"

"Oh idk, maybe it's because of all the star jelly wrappers on your shop!"

"Whaaaat? I...paid for those...definitely"

"...Vanilla Syrup Cookie...you're broke"

"Oh....yeah you're right"

**Situation:** Vanilla Syrup Cookie "forgot" to wear his gas mask

"Crystal Star Cookie!! There's a huge monster!"

"What, where!?"

"Right there! Are you blind!?"

"...there's nothing there...did you inhale the toxins from your potions again?"

"...uhm...no?"

"I swear..."

**Situation:** pulling the carts/shops to a new location

"Yawn, are we there yet..."

"No...maybe if you helped pull the shops we'd be there by now!"

"\*sigh\*, but you're so much stronger, I'd totally just be dead weight..."

"That's just an excuse not to help!"

"Can't hear you, going to sleep now!"

"Ughhh..."
