

TADC IS COMING TO NETFLIX????????????????? LIKE IM SERIOUS, WHEN EPISODE 3 COMES OUT THEY'LL PUT IT ON NETFLIX (they're still indie, no one over at netflix has any control on what they'll create, they're just being put on netflix as well, episodes will still be posted to youtube. I do have worries that netflix might drop out, but it won't be like that big of a deal since they'll just still post it on youtube.)

THAT ALSO MEANS I CAN HAVE MY MOM WATCH IT HEHEHHEHAHAHAHHAH (also murder drones maybe in the future???? even gooseworx stated they would like the show on there.)
